LION Conservation Mountboards Quality Level 2

LION 1.4mm and 2.0mm Conservation mountboards

These mountboards are acid-free and lignin-free alpha cellulose, no OBA's and are buffered for long term protection of the art. Cores are natural white and stay white.

Face papers are sized, colour-fast and bleed-resistant. Backing paper is off-white and lignin-free. They all meet or exceed the FATG Level 2 Conservation quality standards, making them ideal for use with more valuable art.

Sheets 1200 x 815mm / 44" x 32" 7 colours

LION 0.7mm & 1.4mm PURE Conservation Solid Colour mountboards

Conservation quality boards with Pale Cream face, core and back making them solid colour. The surfaces are sized and many framers have found them ideal for wash lining. The surfaces also have a very low speck-count. They meet or exceed FATG Level 2 quality standards. Perfect for most important art. Made in Sweden

Sheets 1200 x 800mm / 47" x 31.5" 2 colours

LION White Core Mountboards Quality Level 3

LION 1.4mm and 2.0mm Whitcore mountboards

V3003 and V3903 with a very small amount of OBA's added to the face papers and the black pigments in the face papers of V3303 mean that these boards are classed as White Core and meet or exceed the quality standards of FATG Level 3.

Sheets 1120 x 815mm / 44" x 32" 8 colours

LION DUO 1.4mm Whitcore mountboards

DUO mountboards have a face and core of Off White with the other face Pale Cream. All have a very low speck count and are sized. They meet or exceed FATG Level 3 quality standards. Made in Sweden. Can be economical in use, either side can be the face of the mount

Sheets 1200 x 800mm / 47" x 31.5"

LION Cream Core Mountboards Quality Level 4

LION 1.25mm Cream Core mountboards

Pale ivory cores made from virgin wood pulp which can mean that the bevels may turn brown over time. Face papers are alkaline sized and pH neutral. Backing papers are white and lignin free. These boards meet or exceed FATG Level 4 quality standards. Ideal for use with low value art.

Sheets 1120 x 815mm / 44" x 32" 5 colours
