

Cold Adhesive PS Mounting Films

Use with Brayer rollers and better, with Roller Laminators

PUB122

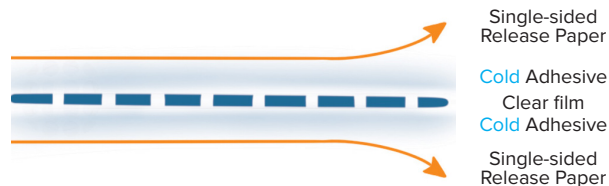

Mounting Film, Cold Twin-release

Twin release is easier to work with while learning. 100µ.
Can work with a Brayer Roller

6977 Mounting film Twin-release 648mm x 25m

6979 Mounting film Twin-release 1040mm x 25m

6980 Mounting film Twin-release 1300mm x 25m

Mounting Adhesive Film Cold, Self-wound

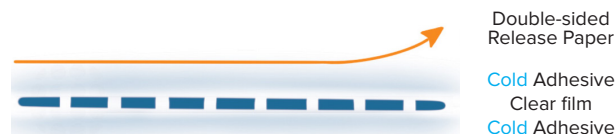

Best used on a roller laminator. 100µ

6981 Mounting film Self-wound 650mm x 25m

6982 Mounting film Self-wound 648mm x 50m

6983 Mounting film Self-wound 1040mm x 25m

6984 Mounting film Self-wound 1300mm x 25m

Transfer Mounting Cold Adhesive

Best used on a roller laminator. 53µ

457 Transfer adhesive Self-wound 500mm x 50m

3374 Transfer adhesive Self-wound 1040mm x 50m

Adhesive Cold Boards

Best used with a roller laminator or with Brayer rollers.

9518 1.2mm S/adh White Core board 1200 x 800mm *by ColourMount*

5014 1.4mm S/adh Xtra-Tak board 1120 x 815mm *by Daler*

10522 1.4mm S/adh pH Neutral board 1200 x 800mm *by Crescent*

10526 1.4mm S/adh Perfect Mount board Acid-free 1020 x 810mm *by Crescent*

9479 1.5mm S/adh board 1200 x 815mm *by LION*

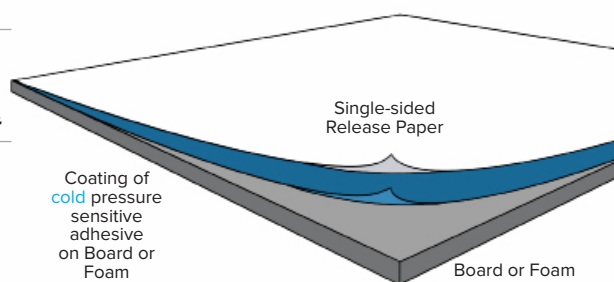

9519 2.4mm S/adh White Core board 1200 x 800mm *by ColourMount*

7020B 3mm S/adh 2-in-1 board 1200 x 1000mm pack 5 *by ColourMount*

1403 5mm S/adh Foam Board S/adh 1015 x 762mm 1 sheet *by LION*

1403B 5mm S/adh Foam Board S/adh 1015x 762mm 25 sheets *by LION*

SAMP08 Cold Self-adhesive Boards - Samples Pack *from LION*

Mixed Sheets Despatch: Ordering sheet materials from LION is easy, you don't have to order in full packs. Mix and match single sheets of mountboard, Adhesive Cold Boards and other selected sheet materials. You just need to order a mixture of at least ten sheets in total.

Liquid Glue **Cold** for Paper & Board

Apply with paint roller, smooth down paper with brayer roller. Practice helps.

- 5916** Liquid PVA Adhesive for bonding paper to board 5lt *by Permagrip*
- 6201** Vacuum Mounting Adhesive pH neutral, water soluble, odourless and stable. Contains no solvents. #3649 3.8lt *by Decor*
- 10554** Dextrin-based water soluble adhesive, pH neutral, reversible with water 3.8lt

Mounting and Laminating Equipment for **Cold** Working

- 3143** Brayer roller, black rubber 100mm wide
- 3144** Brayer roller, black rubber 200mm wide
- 6271** Easymount 650 Cold Roller Laminator 650mm 240v
- tba** Easymount 880 Cold Roller Laminator 880mm 240v

Accessories For **Hot** and/or **Cold** Working

- 10754** Heavy Duty Snap-Off Knife 18mm KC1
- 537** Snap Off Blades 18mm pack 10 *by Swann Morton*
- 10755** Heavy Duty Utility Blade Knife
- 10756** Folding Utility Blade Knife
- 507** Stanley 50mm type #1991 Blades pack 100 *by Swann Morton*
- 508** Stanley 60mm type #1992 Blades pack 100 *by Swann Morton*
- 2907** Cutting mat A4 300 x 230mm 3mm
- 2908** Cutting mat A3 450 x 300mm 3mm
- 6343** Cutting mat A2 600 x 450mm 3mm
- 10636** Cutting mat 1200 x 900mm 3mm *by Rhino*
- 10635** Cutting mat 1800 x 900mm 3mm *by Rhino*
- 4701** StaticWisk Anti-static brush 140mm
- 380** Tacking Iron 240v Polished flat smooth tip
- 924** Foam blanket 5mm 2000 x 1150mm, best for **HGP** vacuum presses
- 922** Foam blanket 13mm 2000 x 1150mm, best on **HGP** to press the laminating film into the surface texture of the canvas

Dust Cover Cloths for Presses are essential

For all cold or hot mounting a dust-free work area will help ensure quality work. A dust-proof fabric is ideal. If it's for a hot press, only place it over the machine when it is switched off and cooled down.

Technical Support & Training in **Hot** and **Cold** Mounting by LION

If you have a press the same or similar to any of those shown, the LION Tech Team will try to help you resolve any issues which may prevent it being used. By appointment, they can also do refresher training. Email: techserve@lionpic.co.uk

The book **'The Mounting & Laminating Handbook'** by Chris Paschke CPF GCF, is truly the bible for all kinds of mounting; hot, cold and conservation. Just a couple of extra jobs will cover its cost. **3771**

Brayer Roller

With care, smaller mounting jobs can be done with Twin-release adhesive film and these Brayer Rollers

Hand-operated Roller Laminators

A low-cost way to start cold mounting and over-laminating

6271 650mm

tba 880mm

Powered Roller Laminators

Give the important steady feed of the materials

Wide-format Laminators

Come in many sizes. A 1600mm / 62" can do very big work.

Single knob pressure adjustment

To see the LION **Hot** materials, read PUB123. Go to **9141** and click on Downloads
